Reporting Claims of Copyright Infringement

We take claims of copyright infringement relating to the Ansys Platform seriously. We will respond to notices of alleged copyright infringement that comply with applicable law. If you believe any materials accessible on or from the Ansys Platform infringe your copyright, you may request removal of those materials from the Ansys Platform by submitting written notification to our copyright agent designated below. “**Ansys Platform**” means any website or software application provided by Ansys as an online service provider, including the present website or software application through which you have been referred to this notice. In accordance with the Online Copyright Infringement Liability Limitation Act of the Digital Millennium Copyright Act (17 U.S.C. § 512) (“**DMCA**”), the written notice (the “**DMCA Notice**”) must include substantially the following:

- Your physical or electronic signature.
- Identification of the copyrighted work you believe to have been infringed or, if the claim involves multiple works on the Ansys Platform, a representative list of such works.
- Identification of the material you believe to be infringing in a sufficiently precise manner to allow us to locate that material.
- Adequate information by which we can contact you (including your name, postal address, telephone number, and, if available, email address).
- A statement that you have a good faith belief that use of the copyrighted material is not authorized by the copyright owner, its agent, or the law.
- A statement that the information in the written notice is accurate.
- A statement, under penalty of perjury, that you are authorized to act on behalf of the copyright owner.

Our designated copyright agent to receive DMCA Notices is:

ATTN: Ansys DMCA Notices
Ansys, Inc.
